

SENATOR WEHRBEIN: I...I do have it, I haven't handed it out, I've got it ready, I'll hand it out.

SENATOR CHAMBERS: I believe, I believe we're entitled to have a copy of a motion on our desk if somebody asks for it, and that's what I'm going to do. We're going to have a clinic in legislating, perhaps, for the rest of the session. Senator Hartrett called the question, which is his prerogative. The Clerk made a ruling, which is his prerogative. And I don't have to get stuck on any one of those things. But these issues are serious and I'll have my opportunity to discuss them. I'm going to take those opportunities and we're going to stay here and deal with them. And since the rules are the rules, then I want us to see in operation how the rules work and I want a copy of that amendment on my desk so that I can see exactly what it is that is before us. Now, while the amendment is coming, I want to ask Senator Wehrbein a question. Senator Wehrbein,...

SENATOR WEHRBEIN: Yes.

SENATOR CHAMBERS: ...what would be the difference between the one you filed and the one that we'll get?

SENATOR WEHRBEIN: The difference is that the money that is...we have just, let's say, discovered about two days ago, where we need to lower the amount of General Fund money going into the Retirement Fund, there's 3.9 million that we do not need because of the value, it's a little longer story I'll talk about later. But the original, as filed, went in the Cash Reserve Fund in 1996-97, which is our next fiscal year. My amendment simply changes the date so that it goes in this year so that it immediately is set aside into the Cash Reserve Fund.

SENATOR CHAMBERS: And that's the only thing that this second amendment changes?

SENATOR WEHRBEIN: Yes.

SENATOR CHAMBERS: Now, where was this money that you...?

SENATOR WEHRBEIN: It's money that we had appropriated previously in last year's budget to go to fund the Retirement Fund for schools.
